

1 Navigate to <https://partners.gog.org/>

The screenshot shows the GOG Partners Portal website. At the top, there is a navigation bar with the GOG logo and various menu items like 'Roster', 'Clinical Trials', 'Study Start-up', and 'IRT'. Below the navigation bar, the main heading is 'GOG Partners Portal' with a welcome message and a link to the portal manual. The main content area is titled 'Site Management' and contains three summary cards: '2 Sites Missing Primary Roles (4 Missing Roles)', '114 Patients In Screening', and '2080 Documents Pending Submission'. Below these cards, there are two sections: 'Site Profile Questions To Be Completed' which includes a table of sites and their question counts, and 'EDC Trainings' which lists training links for 'Marvin'. At the bottom, there is a 'Contact Us' section for the GOG Administrative Office and a 'Helpful Links' section with links to the GOG Foundation Portal Help & Resources and the GOG Public Website.

2 Click 'IRT'

The screenshot shows the GOG Partners Portal interface. At the top, there is a dark blue navigation bar with the GOG FOUNDATION logo and several menu items: Roster, Clinical Trials, Study Start-up, and IRT. The IRT menu item is circled in orange, and a tooltip labeled 'Source Document Portal' is visible below it. Below the navigation bar is a light blue header area with the text 'GOG Partners Portal' and a welcome message. The main content area is titled 'Site Management' and contains several summary cards: '2 Sites Missing Primary Roles' (with 4 Missing Roles), '114 Patients In Screening', 'Site Profile Questions To Be Completed', and 'EDC Trainings'.

Screening a Patient

3 Click 'Screen New Patient'

The screenshot shows the GOG Partners Portal interface with the IRT section selected. The top navigation bar is the same as in the previous screenshot, but the IRT menu item is now active. Below the navigation bar is a light blue header area with the text 'IRT'. Below this is a green button labeled 'Screen New Patient', which is circled in orange. Below the button is a summary bar with four metrics: 'Patients In Central Screening 23', 'Patients In Screening 114', 'Enrolled Patients 374', and 'All Patients 650'. Below the summary bar is a table with columns for 'Study', 'Site Name', and 'Patient Study Id'. The table contains six rows of data.

Reporting a Screen Failure

30

Click the **'Patients In Screening'** tab to view patients entered in the IRT system who are not yet randomized or marked as screen failures.

The screenshot shows the GOG FOUNDATION IRT interface. At the top, there is a navigation bar with 'GOG FOUNDATION' logo and menu items: 'Roster', 'Clinical Trials', 'Study Start-up', and 'IRT'. Below this is a light blue header with the text 'IRT' underlined. A green button labeled 'Screen New Patient' is visible. Below the button is a tabbed interface with four tabs: 'Patients In Central Screening' (23), 'Patients In Screening' (115), 'Enrolled Patients' (374), and 'All Patients' (652). The 'Patients In Screening' tab is highlighted with an orange circle. Below the tabs is a 'Show 10 entries' dropdown. The main content is a table with three columns: 'Study', 'Site Name', and 'Patient Study Id'. The table contains six rows of data.

Study	Site Name	Patient Study Id
GOG-3026	Test Site X With A Longer Name 123 With A Longer Name 123 With A Longer Name 123	1003-3026-0012

Reporting Stratification Values Prospectively

Reporting Stratification Values Prospectively

38

Click the **'Patients In Screening'** tab to view patients entered in the IRT system who are not yet randomized or marked as screen failures.

The screenshot shows the IRT system interface. At the top, there is a navigation bar with the GOG FOUNDATION logo and several menu items: Roster, Clinical Trials, Study Start-up, and IRT. Below the navigation bar, the word 'IRT' is displayed in a large, blue font. A green button labeled 'Screen New Patient' is visible. Below this, there are four tabs: 'Patients In Central Screening' (23), 'Patients In Screening' (115), 'Enrolled Patients' (374), and 'All Patients' (652). The 'Patients In Screening' tab is highlighted with an orange circle. Below the tabs, there is a 'Show 10 entries' dropdown. The main content area displays a table with columns for 'Study', 'Site Name', and 'Patient Study Id'. The table contains six rows of patient data.

Study	Site Name	Patient Study Id
GOG-3026	Test Site X With A Longer Name 123 With A Longer Name 123 With A Longer Name 123	1003-3026-0012
GOG-3026	Test Site X With A Longer Name 123 With A Longer Name 123 With A Longer Name 123	1003-3026-0013

39

Use the **'Search'** field to locate the patient

The screenshot shows the IRT system interface. At the top right, there is a navigation bar with 'UAT', 'Help', 'Hello Demo User!', and 'Log off'. Below the navigation bar, the word 'IRT' is displayed in a large, blue font. Below this, there is a search bar with the text 'Search:' and an input field. The search bar is highlighted with an orange circle. Below the search bar, there is a table with columns for 'Status', 'Status Date', and 'Enroll/Screen Fail'. The table contains six rows of patient status data.

Status	Status Date	Enroll/Screen Fail
In Screening	06/13/2024	Enroll/Screen Fail
In Screening	01/19/2023	Enroll/Screen Fail
In Screening	01/20/2023	Enroll/Screen Fail
In Screening	01/19/2023	Enroll/Screen Fail
In Screening	08/13/2020	Enroll/Screen Fail
In Screening	09/23/2022	Enroll/Screen Fail
